INTRODUCTION

The following is Management's Discussion and Analysis ("MD&A") of the financial results of operations of Strategem Capital Corporation ("Strategem" or the "Company") for the three months ended March 31, 2023, which have been prepared in accordance with International Financial Reporting Standards ("IFRS"), including International Accounting Standard ("IAS") 34, Interim Financial Reporting. This discussion should be read in conjunction with the financial statements and the notes thereto for the same period as noted above (collectively, the "Financial Statements"). Additional Company information, including the Company's most recent Financial Statements, can be accessed through the System for Electronic Document Analysis and Retrieval ("SEDAR") website at www.sedar.com and the Company's website at www.strategemcapital.com.

All financial measures are expressed in thousands of Canadian dollars unless otherwise indicated.

This information is current as of May 16, 2023.

CAUTIONARY STATEMENTS

Certain information regarding the Company as set forth in the MD&A, including management's assessment of the Company's future plans and operations, contain forward-looking statements that involve substantial known and unknown risks and uncertainties. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company, including the impact of general economic conditions, industry conditions, volatility of commodity prices, currency fluctuation, imprecision of reserve estimates, environmental risks, taxation policies, competition from other producers, the lack of qualified personnel or management, stock market volatility and the ability to access sufficient capital from external or internal sources. The actual results, performance or achievement could materially differ from those expressed in, or implied by, these forward-looking statements and, accordingly, no assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them does, what benefits the Company will derive there from.

Forward-looking statements included or incorporated by reference in this document include statements with respect to:

- The amount of the changes to net income and investments as a result of changes in prevailing interest rates, economic and market conditions and company specific news;
- Conversion of 220 Class B shares into Class A common shares;
- The Company's earnings and loss fluctuation and the ability to identify and acquire investments that will appreciate in value; and
- The Company's adequate working capital to fund its expected operating costs through 2023.

FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

In the normal course of business, the Company's activities expose it to a variety of financial risks that may affect its operating performance. These risks are credit risk and market risk (including interest rate risk, currency risk and other price risk). The level of risk to which the Company is exposed depends on the type of investments the Company holds. The value of investments can fluctuate daily as a result of changes in prevailing interest rates, economic and market conditions and company specific news.

This MD&A does not include all financial risk management information and disclosures required in the annual financial statements. These statements should be read in conjunction with the annual financial statements as at December 31, 2022. There have been no changes in the risk management or any risk management policies since year end.

SIGNIFICANT ACCOUNTING POLICES

Significant accounting policies are detailed in the Company's financial statements for the year ended December 31, 2022.
